### 4111 CREATING POSITIONS

The Board of Education recognizes its authority to establish support staff positions that, when filled by qualified employees, will assist the district in the achievement of educational goals set by the Board.

The Board will create new positions as required, approve a job title appropriate to the position, and determine the number of persons required to staff adequately each such position.

The Chief School Administrator shall recommend to the Board such new positions or additional staffing in existing positions as may be required by pupil enrollments and the operational needs of the district.

Employment Contract

### 4124 EMPLOYMENT CONTRACT

The Board of Education requires that every nontenured employee annually sign an employment contract for a term of not more than one year.

The employment contract shall include the date; name of the employee; the beginning and ending dates of service; the salary to be paid and the manner of payment; an authorization for salary deductions as applicable; and such other terms and conditions as may be necessary to a complete statement of the employment relationship.

A provision for the termination of the contract shall be thirty days notice by either party for non-tenured secretaries and non-tenured support staff members.

All aides shall have a sixty-day termination notice provision.

In the event that the salary entered on the written contract differs from that formally approved by the Board, the salary approved by the Board shall be the salary paid.

Adopted: 24 January 2013

## 4125 EMPLOYMENT OF SUPPORT STAFF MEMBERS

The Board of Education believes it is vital to the successful operation of the district that support staff positions be filled with highly qualified and competent employees.

The Chief School Administrator shall recruit, screen, and recommend to the Board suitable candidates for district employment. The Board shall approve the employment, fix the compensation, and establish the term of employment for every support staff member employed by this district. Approval shall be given only to those candidates for employment recommended by the Chief School Administrator.

No person shall be employed in a position involving regular contact with pupils unless the Board has notice that no criminal history record information exists on file in the Federal Bureau of Investigation, Identification Division, or the State Bureau of Identification which would disqualify the individual from being employed or utilized in such capacity or position.

Criminal history record checks will be required pursuant to New Jersey Department of Education regulations and procedures. Any person to be employed by the district must undergo a criminal history background check. All contracted employees having regular pupil contact must undergo a criminal record history check. Approval letters will be valid only for the district or contract service provider through which the person to be employed made application for employment.

A permanent employee hired prior to October 8, 1986, who applies for and is selected for a different position in the district is “grandfathered” and not required to undergo a criminal history background check. An employee hired after October 8, 1986 for a position without regular pupil contact and later receives a position with pupil contact, must undergo a criminal history background check at the time of transfer to the new position.

Individuals who provide volunteer services and crossing guards, not employed or contracted by the district, are not subject to this criminal history record information requirement. An individual shall be permanently disqualified from employment or service in the school district if the criminal history record check reveals a record of conviction for crimes as defined in N.J.S.A. 18A:6-7.1.

Substitute employees, who are rehired annually by the Board, are required to undergo a criminal history record check upon initial employment, provided the substitute continues in the employ of at least one of the districts at which the substitute was employed within one year of the approval of the criminal history record check. A substitute employee later selected for a permanent position within the district does not need to undergo a new criminal history background check provided there is no break in service in the substitute employment. A break in service is when

the employee is no longer approved by the employing Board of Education. An employee who has been laid off (dismissed because of employee reduction) and is asked to be re-employed by the district and/or contractor must submit to a new criminal history background check.

School bus drivers to be employed by the district must submit to a criminal history background check upon initial employment within the district and upon renewal of their school bus driver endorsement.

The Board or contracted service provider may employ an applicant on an emergent basis for a period not to exceed three months, pending completion of a criminal history records check if the Board or contractor demonstrates to the Commissioner of Education that special circumstances exist which justify the emergent employment as prescribed in N.J.S.A. 18A:6-7.1c. In the event the criminal background check is not completed for an emergent hired employee within three months, the Board or contractor may petition the Commissioner for an extension of time, not to exceed two months, in order to retain the employee.

No criminal history record check shall be furnished unless the applicant provided written consent to the check. The applicant shall bear the cost for the check, including all costs for administering and processing the check. The district will deny employment to an applicant if the applicant is required and refuses to submit to a criminal history background check.

The responsible administrator(s) shall seek candidates for employment who possess the attributes of good character, appreciation of children, good health, and emotional maturity. They may administer such screening tests as may bear upon a candidate's ability to perform the tasks for which he/she is being considered and review such recommendations from former employers and others as may be of assistance in assessing the candidate's qualifications. Application records will be retained in confidence and for official use only.

All new employees will be required, within three days of the first day of hire, to complete the federal Form I-9 and supply the documentation necessary to demonstrate the employee's identity and employment eligibility under the Immigration Reform and Control Act of 1986. Completed Forms I-9 will be retained for three years or until one year after the end of the employee's separation, whichever is longer.

An employee's misstatement of fact material to his/her qualifications for employment or the determination of his/her salary will be considered by the Board to constitute grounds for dismissal.

## Bus Drivers

In order to qualify for employment as a regular or substitute school bus driver a candidate must be a reliable person of good moral character, physically fit, have a minimum of three years' previous driving experience, and possess a valid bus driver's license approved by the New Jersey Department of Law and Public Safety, Division of Motor Vehicles that is neither suspended nor revoked.

The Board and any contractor providing transportation services to the Board will annually submit to the County Superintendent, prior to the assignment of any driver, the following information regarding each driver and substitute driver employed by this Board or by any contractor supplying transportation services to this Board:

1. The driver's name and social security number;
2. Certification of the driver's possession of a valid school bus driver's license; and
3. Certification that the driver has qualified for employment after a criminal background check.

Prior to employment as a bus driver, and upon application for renewal of a school bus driver's license, a bus driver shall submit to the Commissioner of Education his/her name, address and fingerprints taken by a State or municipal law enforcement agency. No criminal history record check shall be furnished unless the applicant provided written consent to the check. The Commissioner shall notify the applicant, in writing, of the applicant's qualification or disqualification as a school bus driver. A school bus driver shall be disqualified from employment or service if the individual's check reveals a record of conviction for crimes and offenses as prescribed in N.J.S.A. 18A:39-19.1. The Board shall also be notified of a disqualification.

Any bus driver who fails to comply with the requirements of this policy will be subject to discipline and may be dismissed.

## Aides/Paraprofessionals

The Board will employ school aides and/or classroom aides to assist in the supervision of pupil activities under the direction of a Principal, teacher or other designated certified professional personnel. Aides will serve the needs of pupils by performing nonprofessional duties and may work only under the direct supervision of teaching staff members.

In accordance with the requirements of *No Child Left Behind Act of 2001*, each school district receiving Title I funds shall ensure that all paraprofessionals hired after January 8, 2002 and working in a program supported with Title I funds shall have:

1. Completed at least two years of study at an institution of higher education;
2. Obtained an associate's (or higher) degree; or
3. Met a rigorous standard of quality and can demonstrate, through formal State or local academic assessment:
  - a. Knowledge of, and the ability to assist in instructing, reading, writing, and mathematics; or
  - b. Knowledge of, and the ability to assist in instructing, reading readiness, writing readiness, and mathematics readiness as appropriate.

Paraprofessionals hired before January 8, 2002 and working in a program supported with Title I funds are required to satisfy the above stated requirements not later than four years after the date of January 8, 2002. A district that is implementing a School-wide Program must comply with all the requirements outlined above and a district that has a Target Assistance Program must ensure that all paraprofessionals paid in whole or part with Title I funds meet the requirements outlined above. The Chief School Administrator will ensure paraprofessionals working in a program supported with Title I funds meet the above stated requirements.

The Chief School Administrator shall submit a job description for each type of aide to be employed in the district, setting forth the duties to be performed, the types of proficiency needed, the qualifications to be required, and the arrangement for the supervision of aides to the County Chief School Administrator for approval. In addition, the Chief School Administrator shall annually submit to the County Superintendent the names of persons employed as aides, a statement certifying that these persons meet the approved qualifications and the positions are being supervised in accordance with approved plan for the use of school and/or classroom aides.

### Substitutes

The Board will employ substitutes for absent support staff members as necessary to ensure continuity in the operation of the school district. The Board shall annually approve a list of support staff substitutes and the positions in which each is permitted to serve and may approve additional substitutes during the school year.

### 4140 TERMINATION

The Board of Education will enter a contract with each non-tenured support staff member providing, in part, for the termination of employment by either party. The Board may terminate the employment of an employee for incompetence, immorality, unfitness for service, insubordination, reduction in force, or other good cause. Any notification of termination for cause will include a full statement of the reasons for the dismissal on notice duly given a nonprobationary employee.

The Board may terminate an employment contract with a non-tenured support staff member only upon the recommendation of the Chief School Administrator and by a recorded roll call majority vote of the full membership of the Board. The Board will not withhold its approval for arbitrary and capricious reasons. N.J.S.A. 18A:27-4.1.

The Board may temporarily suspend an employee with or without pay and without notice when his/her continued services may be inimical to the interests of pupils.

Adopted: 24 January 2013

### 4145 LAYOFFS

The Board of Education shall provide the support staff necessary for the operation of the district in a manner that is efficient and economical.

The Board reserves the right to abolish support staff positions and reduce district staff commensurately whenever reasons of economy, reorganization of the school district, reduction in the number of pupils, or other good cause so warrant. The Chief School Administrator shall continually review the efficiency and effectiveness of district organization and recommend to the Board the creation and abolishment of support staff positions and the reallocation of duties and positions.

When two or more employees are employed in the same classification of employment in which a position is abolished, the employee shall be reemployed who has demonstrated greater competence.

When, as the result of the abolishment of a position, an employee is demoted in position, the employee shall receive the salary of the position to which he/she has been assigned.

N.J.S.A. 18A:6-10; 18A:17-4

Adopted: 24 January 2013

## 4146 NONRENEWAL OF NONTENURED SUPPORT STAFF MEMBER

The Board will renew the employment contract of a nontenured support staff member only upon the recommendation of the Chief School Administrator and by a recorded roll call majority vote of the full membership of the Board. The Board will not withhold its approval for arbitrary and capricious reasons. A nontenured support staff member who is not recommended for renewal by the Chief School Administrator is deemed nonrenewed.

Prior to notifying the support staff member of the nonrenewal, the Chief School Administrator will notify the Board of the recommendation not to renew the support staff member's contract and the reasons for the recommendation. The Chief School Administrator may notify the Board in a written notice or in executive session at a full Board meeting. In the event the Board is notified in executive session, the Chief School Administrator will comply with the requirements of the Open Public Meetings Act and provide reasonable notice to the staff member their employment will be discussed in executive session in order for the support staff member to exercise their statutory right to request a public discussion.

The Chief School Administrator shall notify each support staff member to whom reemployment will not be offered in writing on or before May 15. The support staff member whose contract is not renewed has the right to a written statement for the reasons for nonrenewal, provided the request for the statement of reasons is made within fifteen days of the Chief School Administrator's written notification of nonrenewal to the support staff member. The statement of reasons shall be provided to the staff member within thirty days after the receipt of the request. The nontenured support staff member shall have the right to an informal appearance before the Board to permit the staff member an opportunity to convince the members of the Board to offer reemployment, provided that a request for such an appearance is received within ten days after the support staff member receives the statement of reasons provided by the Chief School Administrator.

The Board is not required to offer reemployment or vote on reemployment after an informal hearing with a support staff member who was not recommended for reemployment by the Chief School Administrator. The Board may, with a majority vote of its full membership in public session and without the recommendation of the Chief School Administrator, offer the support staff member reemployment after the employee has had the opportunity to meet informally with the Board.

This policy does not apply to the contract renewal of the Treasurer of School Moneys, Board Auditor, Board Attorney or Board Secretary, except a Board Secretary who performs business administration functions.

N.J.S.A. 18A:27-4.1

Adopted: 24 January 2013

### 4150 DISCIPLINE

The Board of Education directs all support staff members to observe statutes, rules of the State Board of Education, policies of this Board, and duly promulgated administrative rules and regulations governing staff conduct. Violations of those statutes, rules, policies, and regulations will be subject to discipline.

The Chief School Administrator shall deal with disciplinary matters on a case by case basis. Discipline will include, as appropriate, verbal and written warnings, transfer, suspension, freezing wages, and dismissal; discipline will provide, wherever possible, for progressive penalties for repeated violations.

In the event disciplinary action is contemplated, notice will be given to the employee in ordinary and concise language of the specific acts and omissions upon which the disciplinary action is based; the text of the statute, policy, rule, or regulation that the employee is alleged to have violated; a date when the employee may be heard and the administrator who will hear the matter; and the penalty that may be imposed.

Withholding an Increment

### 4152 WITHHOLDING AN INCREMENT

The Board of Education recognizes that any advancement on a salary schedule, including annual increments and raises, is not automatic but rests within the discretion of the Board.

Advancement on any salary schedule shall require favorable reports covering the employee's competence and thoroughness in the performance of assigned duties as well as the employee's record of attendance and compliance with district regulations.

The Chief School Administrator shall base a recommendation for withholding an increment on evaluations of the employee's performance and conduct. The Chief School Administrator must also show to the satisfaction of the Board that the standards by which an employee has been evaluated are not exceptional or unusual and are expected of all employees in a similar classification.

N.J.S.A. 18A:29-14

Adopted: 24 January 2013

## 4159 SUPPORT STAFF MEMBER/SCHOOL REPORTING RESPONSIBILITIES

All support staff members shall be required to report their arrest or indictment for any crime or offense to the Chief School Administrator within fourteen calendar days of the arrest or indictment. For purposes of this policy, “support staff members” shall include all school employees who hold a position in the school for which no certificate issued by the New Jersey State Board of Examiners is required.

The report submitted to the Chief School Administrator shall include the date of arrest or indictment and charge(s) lodged against the support staff member. Such support staff members shall also report to the Chief School Administrator the disposition of any charges within seven calendar days of the disposition. Failure to comply with these reporting requirements may be deemed “just cause” for disciplinary action, which may include termination or non-renewal of employment in accordance with law.

Teaching staff members are required to report their arrest or indictment for any crime or offense in accordance with Policy 3159 and N.J.A.C. 6A:9-17.1.

The school shall make these reporting requirements known to all new support staff members upon initial employment and to all employees on an annual basis.

Adopted: 24 January 2013

## 4160 PHYSICAL EXAMINATION

The Board of Education requires each newly employed support staff member undergo a physical examination. The physical examination shall include, but is not limited to, a health history to include past serious illnesses and injuries; current health problems; allergies; and a record of immunizations. The physical examination shall also include a health screening to include height and weight; blood pressure; pulse and respiratory rate; vision screening; hearing screening; and Mantoux test for tuberculosis.

A support staff member may provide health status information, including medications, which may be of value to medical personnel in the event of an emergency requiring treatment. The staff member may also choose to share with the Principal and, if desired, with the certified school nurse, information regarding current health status to assure ready access in a medical emergency. School employee physicals, examinations and/or annual medical updates do not require screening or disclosure of HIV status.

The physical examinations required by this policy shall be limited to those assessments or information necessary to determine the individual's physical and mental fitness to perform with reasonable accommodation in the position he/she seeks or currently holds and to detect any health risks to pupils or other employees.

Physical examinations required by this policy may be conducted by a physician or institution designated by the Board or, at the employee's election, by a physician or institution designated by the employee and approved by the Board. The cost of any such examination conducted by the physician or institution designated by the Board shall be borne by the Board. The cost of any such examination conducted by the physician or institution chosen by the employee and approved by the Board shall be borne by the employee.

All staff members' medical and health records, including computerized records, will be secured and will be stored and maintained separately from other personnel files. The information contained in medical records will be kept confidential. Only the staff member, the Chief School Administrator, and the school medical inspector shall have access to medical information regarding an individual employee. The section of the medical record that contains the health history may be shared with the staff member's Building Principal and the school nurse with the consent of the staff member.

Physical Examination

Additional individual psychiatric or physical examinations of any staff member may be required by the Board whenever, in the judgment of the Board, a staff member shows evidence of deviation from normal physical or mental health. Any additional individual examinations will be pursuant to the requirements of N.J.A.C. 6A:32-6.3. Additional examinations and/or certifications may be required to verify fitness in accordance with Policy No. 3161 or disability in accordance with Policy Nos. 3425 and 3435.

## 4161 EXAMINATION FOR CAUSE

The Board of Education may, in accordance with law, require the psychiatric or physical examination of any support staff member who shows evidence of deviation from normal physical or mental health.

The Chief School Administrator shall recommend to the Board the examination of any support staff member whose physical or mental condition so departs from normal health as to adversely affect the performance of the member's duties. Any such recommendation must be accompanied by competent evidence. If the Board determines that deviation from normal health has been demonstrated, it may require that the member submit to a physical or mental examination.

A requirement for physical or mental examination shall be made known to the employee by written notice setting forth the nature of the examination required, the reasons for the requirement, and a statement offering the member the opportunity to appear before the Board to explain or refute those reasons, provided any such hearing is requested in writing within five working days of the receipt of the notice.

A support staff member who fails to request an appearance before the Board within the time permitted or, having appeared before the Board, fails to persuade the Board that he/she should not be required to submit to the required examination shall be ordered to submit to an appropriate examination by a physician or institution designated by the Board and at the Board's expense.

The support staff member may, at his/her option, submit names of physicians or institutions to the Board for consideration to complete the appropriate examination(s). The Board is not required to designate a physician or institution submitted for consideration by the support staff member, but the Board will not act unreasonably in withholding its approval of a physician or institution submitted by a support staff member. The cost of the examination will be borne by the Board if the Board designates a physician or institution from the names submitted from the support staff member.

If the support staff member's request is denied, or if the support staff member does not request the Board to consider a physician or institution, the staff member may elect to submit to an appropriate examination conducted by a physician or institution of the support staff member's own choosing and at his/her expense, provided the physician or institution so chosen is approved by the Board, pursuant to N.J.S.A. 18A:16-3, and is authorized and directed by the member to report the results of the examination to the Board.

Examination for Cause

If the results of the examination show mental abnormality or communicable disease, the support staff member shall be placed on sick leave and compensated in accordance with his/her sick leave entitlement, if any, until proof of recovery, satisfactory to the Board, is furnished. No leave of absence granted under this policy shall exceed the term of the contract of a nontenured support staff member or a period of two years in the case of a tenured support staff member.

A support staff member who refuses to submit to the examination required by the Board and has exhausted the hearing procedures established by law and this policy shall be subject to discipline, which may include the certification of tenure charges to the Commissioner of Education.

### 4211 ATTENDANCE

Employee attendance is an important factor in the successful operation of any school district and in the maintenance of the continuity of the educational program. The Board of Education is vitally and continually interested in the attendance of each employee and considers satisfactory attendance an important criterion of satisfactory job performance.

The privilege of district employment imposes on each employee the responsibility to be on the job on time every scheduled working day. This responsibility requires that the employee maintain good health standards, take intelligent precautions against accidents both on and off the job, and manage personal affairs in order to satisfy district attendance requirements.

The Board is required by the high costs of absences and disrupted work schedules to give continuing attention to the maintenance of regular attendance by employees. Chronic absenteeism and tardiness are subject to discipline and may be cause for dismissal.

The Chief School Administrator shall develop regulations to implement this policy.

N.J.S.A. 18A:30-1 et seq.

Adopted: 24 January 2013

### 4211.3 CONSULTING OUTSIDE THE DISTRICT

The Board of Education recognizes that support staff members will have expertise and knowledge in areas that other school districts, agencies, and other entities may desire. Recognizing that the school district will request the expertise from support staff members from other school districts, agencies and other entities, the Board supports sharing of its support staff members with other school districts, agencies, and other entities to the extent it does not interfere with the efficient operation of the school district.

The Chief School Administrator may recommend to the Board a support staff member's attendance in another school district, agency or other entity without additional remuneration to the support staff member or school district, upon a written request from the agency or from the support staff member.

The Board of Education recognizes support staff members will have expertise and knowledge in areas that other school districts, public and private agencies, and private business organizations may desire to compensate as a paid consultant. When a support staff member serves as a paid consultant, the support staff member is not permitted to use normal work hours for any paid consulting activities. The support staff member must complete any paid consulting activities on their own time to include vacation days, evenings, weekends, and/or school holidays.

The support staff member must comply with the New Jersey School Ethics Act N.J.S.A. 18A:12-21 et seq. and, if required, must comply with financial disclosure requirements of N.J.S.A. 18A:12-24 and 12-25.

N.J.S.A. 18A:12-21 et seq.

Adopted: 24 January 2013

## 4214 CONFLICT OF INTEREST

No support staff member of the Board of Education shall have any interest, financial or otherwise, direct or indirect, or engage in any business or transaction or professional activity which is in conflict with the proper discharge of the support staff member's duties.

No support staff member shall use or attempt to use his/her position to secure unwarranted privileges or advantages.

No support staff member of the Board shall act in his/her official capacity in any matter wherein he/she has a direct or indirect personal financial interest.

No support staff member of the Board shall accept any gift, favor, service or other thing of value under circumstances from which it might be reasonably inferred that such gift, service or other thing of value was given or offered for the purpose of influencing the support staff member in the discharge of his/her duties.

The Board of Education discourages the presentation of gifts to support staff members by pupils and their parent(s) or legal guardian(s), because it may embarrass pupils with limited means and give the appearance of currying favor.

The Board directs that support staff members instruct pupils to express their appreciation by means other than gifts.

Support staff members may receive gifts of only nominal value from pupils or their parent(s) or legal guardian(s).

The Chief School Administrator may approve an act or gift of appreciation to an individual support staff member when special circumstances warrant.

N.J.S.A. 18A:6-8; 18A:11-1

Adopted: 24 January 2013

## 4215 CODE OF ETHICS

All support staff employees will:

Represent themselves honestly in the application and selection procedure;

Report to work as scheduled;

Discuss complaints with their immediate superior, or through approved channels;

Not advise or counsel pupils except in special cases with the knowledge and consent of the Principal;

Complete thoroughly their assigned tasks;

Endeavor to establish good working relationships with other employees, professional as well as non-professional;

Commit themselves to providing the best possible services for pupils;

Uphold all rules and regulations as set by the Board, the Chief School Administrator, and the Principal;

Keep the trust under which confidential information may be given;

Adhere to all the conditions of a contract;

Give prompt notice of any change in availability for continued employment; and

Protect and care for district property.

Adopted: 24 January 2013

## 4218 SUBSTANCE ABUSE

The Board of Education recognizes that chemical dependency is an illness which is preceded by the misuse and/or abuse of alcohol, anabolic steroids, and other drugs. The Board recognizes that the use/misuse of alcohol, anabolic steroids, and other drugs, and the problems associated with it, are becoming increasingly commonplace in today's society. It is generally accepted that alcoholism and other chemical dependencies are illnesses that can be treated successfully if they are identified as early as possible, and if appropriate treatment is promptly instituted. The Board believes that the therapeutic approach to the problem is more effective than one which is solely punitive in nature.

For purposes of this policy, "substance" shall mean:

1. All controlled dangerous substances as defined and prohibited in New Jersey Statutes and Codes;
2. All chemicals which release toxic vapors as defined and prohibited in New Jersey Statutes and Codes;
3. All alcoholic beverages; and
4. Anabolic steroids.

### Standard of Conduct

The Board clearly prohibits the unlawful possession, use, or distribution of illicit substances, drugs, alcohol, and/or anabolic steroids on school premises or as part of any of its activities by any employee of the district as well as reporting to the workplace under the influence of any illicit substances, drugs, alcohol, and/or anabolic steroids. Compliance with this standard of behavior is mandatory.

The Board will make every effort to educate its employees regarding the misuse of illegal substances, alcohol, drugs, and anabolic steroids. Further, the Board will assist and provide guidance to an employee who is having a problem concerning the abuse of these substances on how to receive additional help and counseling.

### Program Review

The Board shall review its substance abuse program on a biennial basis to determine its effectiveness and implement changes as required and to ensure that disciplinary sanctions are consistently enforced.

Any information gathered through a school investigation, counseling session, request by an employee for help, etc., shall comply with the confidentiality requirements established in Federal regulations found in 42 CFR Part II. Employees shall be subject to procedures and sanctions defined in Regulation No. 4218. All employees shall be provided with a copy of this policy and the accompanying regulations.

### 4220 EMPLOYEE EVALUATION

The Board of Education recognizes the importance of employee evaluations in the reinforcement of performance strengths and the remediation of weaknesses.

The Chief School Administrator shall develop a plan for the evaluation of support staff members. He/She shall invite the participation of employees in the development of the plan and shall assess and modify the plan as necessary.

Employees shall be grouped into position classifications based upon similarities of duties, responsibilities, and qualifications. The evaluation process shall be similar for all employees in a single classification.

The evaluation process shall provide for the recognition and commendation of effective performance, the identification and remediation of performance deficiencies, and the recommendation of discipline or dismissal when an employee fails to improve his/her performance. Evaluation procedures shall provide that each employee is informed of the specific objectives of his/her position and the standards that will be used to assess the employee's performance against those objectives. Employees will be evaluated by qualified supervisors; probationary employees will be evaluated annually. Any records created in the evaluation process will become part of the employee's file and subject to Board policy on personnel records.

## 4230 OUTSIDE ACTIVITIES

The Board of Education recognizes that support staff members enjoy a private life outside their job responsibilities in the school district. The Board believes that school employees exert a continuing influence away from the school district. Accordingly, the Board reserves the right to determine if activities outside the support staff member's job responsibilities interfere with their performance and the discharge of the support staff member's responsibilities to this district.

The Board directs that all support staff members be governed in their activities outside the school by the following guidelines:

1. Support staff members are advised to refrain from conduct, associations, and offensive speech that, if given publicity, would tend to have an adverse or harmful effect upon pupils or the school community;
2. Support staff members shall not devote time during their work day to an outside private enterprise, business, or business organization. They shall not solicit or accept customers for a private enterprise, business, and/or business organization on school grounds during their work day without the express permission of the Chief School Administrator;

## 4281 INAPPROPRIATE STAFF CONDUCT

The Board of Education recognizes its responsibility to protect the health, safety and welfare of all pupils within this school district. Furthermore, the Board recognizes there exists a professional responsibility for all school staff to protect a pupil's health, safety and welfare. The Board strongly believes that school staff members have the public's trust and confidence to protect the well-being of all pupils attending the school district.

In support of this Board's strong commitment to the public's trust and confidence of school staff, the Board of Education holds all school staff to the highest level of professional responsibility in their conduct with all pupils. Inappropriate conduct and conduct unbecoming a school staff member will not be tolerated in this school district.

The Board recognizes and appreciates the staff-pupil professional relationship that exists in a school district's educational environment. This Policy has been developed and adopted by this Board to provide guidance and direction to avoid actual and/or the appearance of inappropriate staff conduct and conduct unbecoming a school staff member toward pupils.

School staff's conduct in completing their professional responsibilities shall be appropriate at all times. School staff shall not make inappropriate comments to pupils or about pupils and shall not engage in inappropriate language or expression in the presence of pupils. School staff shall not engage in inappropriate conduct toward or with pupils. School staff shall not engage or seek to be in the presence of a pupil beyond the staff member's professional responsibilities. School staff shall not provide transportation to a pupil in their private vehicle or permit a pupil into their private vehicle unless there is an emergency or a special circumstance that has been approved in advance by the Building Principal/immediate supervisor and the parent/legal guardian.

Inappropriate conduct by a school staff member outside their professional responsibilities may be considered conduct unbecoming a staff member. Therefore, school staff members are advised to be concerned with such conduct which may include, but is not limited to, communications and/or publications using e-mails, text-messaging, social networking sites, or any other medium that is directed and/or available to pupils or for public display.

A school staff member is always expected to maintain a professional relationship with pupils and school staff members shall protect the health, safety and welfare of school pupils. A staff member's conduct will be held to the professional standards established by the New Jersey State Board of Education and the New Jersey Commissioner of Education. Inappropriate conduct or conduct unbecoming a staff member may also include conduct not specifically listed in this Policy, but conduct determined by the New Jersey State Board of Education, the New Jersey Commissioner of Education, an arbitration process, and/or appropriate courts to be inappropriate or conduct unbecoming a school staff member.

4321 ACCEPTABLE USE OF COMPUTER NETWORK(S)/COMPUTERS AND  
RESOURCES BY SUPPORT STAFF MEMBERS

The Board recognizes that as telecommunications and other new technologies shift the manner in which information is accessed, communicated and transferred that those changes will alter the nature of teaching and learning. Access to telecommunications will allow support staff members to explore databases, libraries, Internet sites, bulletin boards and the like while exchanging information with individuals throughout the world. The Board supports access by support staff members to information sources but reserves the right to limit in-school use to materials appropriate to educational purposes. The Board directs the Chief School Administrator to effect training of support staff members in skills appropriate to analyzing and evaluating such resources as to appropriateness for educational purposes.

The Board also recognizes that telecommunications will allow support staff members access to information sources that have not been pre-screened using Board approved standards. The Board therefore adopts the following standards of conduct for the use of computer network(s) and declares unethical, unacceptable, inappropriate or illegal behavior as just cause for taking disciplinary action, limiting or revoking network access privileges, instituting legal action or taking any other appropriate action as deemed necessary.

The Board provides access to computer network(s)/computers for administrative and educational purposes only. The Board retains the right to restrict or terminate support staff members' access to the computer network(s)/computers at any time, for any reason. - A. Using the computer network(s)/computers for illegal, inappropriate or obscene purposes, or in support of such activities. Illegal activities are defined as activities which violate federal, state, local laws and regulations. Inappropriate activities are defined as those that violate the intended use of the network(s). Obscene activities shall be defined as a violation of generally accepted social standards for use of publicly owned and operated communication vehicles.
- B. Using the computer network(s)/computers to violate copyrights, institutional or third party copyrights, license agreements or other contracts.

- C. Using the computer network(s) in a manner that:
1. Intentionally disrupts network traffic or crashes the network;
  2. Degrades or disrupts equipment or system performance;

## 4322 STAFF MEMBER'S USE OF CELLULAR TELEPHONES

The Roosevelt Board of Education recognizes a school support staff member may have the need to make a personal telephone call during their workday when the telephone call cannot be made before the staff member reports to work and/or after the staff member's workday has concluded.

In the event the staff member has an occasion to make a personal telephone call during their workday, and the telephone call is of such a nature that it cannot be made before the staff member's workday begins or after the workday has concluded, the school staff member may make a personal telephone call using their personal cellular telephone during the workday provided the telephone call is made during the staff member's free lunch/break periods and is made outside the presence of pupils either in an area inside or outside the school building designated by the staff member's Building Principal or immediate supervisor.

A personal telephone call by a support staff member on their personal cellular telephone shall not be made while the support staff member is performing assigned school district responsibilities.

In the event the staff member has an emergency requiring immediate attention that requires the personal use of their personal cellular telephone, the support staff member shall inform their Building Principal or immediate supervisor before making the call or immediately after using the cellular telephone, depending on the nature of the emergency.

### 4324 RIGHT OF PRIVACY

The Board of Education will provide facilities and school district-owned property to assist staff members in their job responsibilities or for the staff members' convenience. These facilities or district-owned property may include, but are not limited to, an office, a storage closet, a filing cabinet, a locker, and/or a desk. The Principal or designee may provide a staff member with exclusive use and access to such facilities or school district-owned property or may require the facility or school district-owned property be shared with other staff members. The staff member may be provided a lock or key by the school district or may secure the facility or school district-owned property using their own locking device with permission from the Principal or designee, or immediate supervisor.

School staff members should be aware their expectation of privacy in these facilities and/or the school district-owned property provided by the Board of Education is reduced by virtue of actual office practices and procedures, for searches conducted pursuant to an investigation of work-related employee misconduct, or by legitimate school district policies or regulations. In addition, staff members shall have a reduced expectation of privacy in these facilities and school district-owned property if there is reasonable suspicion the staff member is violating a law or school policy. School staff members shall be on notice this reduced expectation of privacy may result in such facilities and/or school district-owned property being searched without a search warrant. In order to avoid exposing personal belongings to such a search, school staff members are discouraged from storing personal papers and effects in these facilities or school district-owned property.

Adopted: 24 January 2013

## 4340 GRIEVANCE

The Board of Education shall develop and practice reasonable and effective means for the resolution of disputes that may arise in the employment of support staff members not covered by the terms of a negotiated agreement.

The Board directs that any grievance not provided for by negotiated agreement be resolved by submission to the following grievance procedure, which is designed to promote proper and equitable settlement of grievances at the lowest appropriate level and to facilitate an orderly process for the resolution of grievances.

For the purposes of this policy, "grievance" means an unresolved problem concerning the application or interpretation by an officer or employee of this district of law, regulations of the State Board of Education, the bylaws or policies of the Board, or the administrative regulations of the Chief School Administrator; "grievant" is a district employee who alleges a grievance or the employee's representative; "party" means the grievant or any person named in the grievance as allegedly having violated a law, bylaw, policy, or regulation; and "day" means a school day.

A grievant may use personal leave time when it becomes necessary to process a grievance during the working day. There will be no reprisal of any kind taken against any employee or employee's representative for participation in a grievance.

Any alleged grievance should, at the first instance, be discussed in one or more private, informal conferences between the parties involved or between the grievant and his/her immediate supervisor. A grievance not resolved in one or more such private meetings may be processed in accordance with the following procedure.

### Level One

Within three working days of the occurrence of the act or omission giving rise to the grievance, the grievant must present his/her grievance in writing to the grievant's immediate supervisor. The written document will be a clear, concise statement of the grievance and will include the law, rule, policy, or regulation that the grievant alleges to have been violated; the factual circumstances on which the grievance is based; the person or persons involved; the decision, if any, rendered at the private conference; and the remedy sought.

Within seven working days the supervisor shall present a decision to the grievant in writing. If the supervisor does not respond during the time permitted, the grievant may appeal to the next level.

## Level Two

A grievant not satisfied with a decision at Level One may appeal that decision in writing to the Chief School Administrator within three working days after receipt of the decision or the expiration of the time during which the decision must be rendered. The written appeal to the Chief School Administrator will include copies of the original grievance, the appeal of that grievance at Level Two, and the decision, if any, rendered at Level Two. Within ten working days after the delivery of the appeal, the Chief School Administrator shall investigate the grievance, giving all persons who participate in Level One reasonable opportunity to be heard.

Within seven working days of the presentation of the appeal, the Chief School Administrator shall submit a decision in writing together with the reasons that support that decision to the grievant and any other party to the grievance. If the Chief School Administrator does not render a decision within that time limit, the grievant may appeal to the next level.

## Level Three

A grievant not satisfied with the Chief School Administrator 's decision may appeal that decision in writing to the Board within three working days after the receipt of the decision or the expiration of the time during which the decision must be rendered. The written appeal to the Board will include copies of the original grievance, the appeal of that grievance at Level Two, and the decisions, if any.

The Board shall schedule the grievance for hearing to be held within forty-five calendar days of the presentation of the appeal. The grievant shall be present at the hearing.

Within ten calendar days of the hearing, the Board shall submit its decision in writing together with reasons that support the decision to the grievant. A copy of the decision shall be given to the Chief School Administrator and to any other party to the grievance.

The decision of the Board shall be final.

## 4351 HEALTHY WORKPLACE ENVIRONMENT

The Board of Education recognizes a healthy workplace environment enables school support staff members to fully contribute their expertise and skills to their school district responsibilities. A healthy workplace environment can improve productivity, reduce absenteeism, and reduce staff turnover while having a positive impact on the school district's programs provided to pupils in the school district.

A significant characteristic of a healthy workplace environment is that employees interact with each other with dignity and respect regardless of an employee's work assignment or position in the school district. Repeated malicious conduct of an employee or group of employees directed toward another employee or group of employees in the workplace that a reasonable person would find hostile or offensive is unacceptable and is not conducive to establishing or maintaining a healthy workplace environment. This unacceptable conduct may include, but is not limited to, repeated infliction of verbal abuse such as the use of derogatory remarks; insults; verbal or physical conduct that a reasonable person would find threatening, intimidating, or humiliating; or the gratuitous sabotage or undermining of a person's work performance. A single act of such conduct shall not constitute the unacceptable conduct prohibited by this policy unless it is especially severe and egregious.

Unacceptable conduct, for the purposes of this policy, is not conduct toward an employee of a protected class or because of the employee's protected activity. These employees and activities are afforded the legal protections under various Federal and State anti-discrimination laws. In addition, unacceptable conduct for the purposes of this policy shall not be confused with conduct of management employees exercising management rights including, but not limited to, assigning tasks, reprimanding, assigning discipline, or directing.

Employees who believe the conduct prohibited by this policy has been directed toward them or to another employee of the school district shall submit a written report to the Chief School Administrator. The written report shall provide specific details supporting the claim including, but not limited to, the specific conduct; the names of witnesses (if any) who may have observed such conduct; dates or times when such conduct occurred; and any other information the person(s) making the report believes will be informative and helpful to an investigation of the allegations. Upon receipt of a report, the Chief School Administrator or designee will conduct an investigation and upon completion of the investigation will inform the person(s) who made the report such an investigation was completed. The amount of investigation information shared with the person(s) making the report will be at the discretion of the Chief School Administrator or designee and may vary depending on whether the conduct reported was directed to the person(s) making the report, confidential personnel matters, and/or other issues as determined by the Chief School Administrator or designee.

## 4352 SEXUAL HARASSMENT

The Board of Education recognizes that an employee's right to freedom from employment discrimination includes the opportunity to work in an environment untainted by sexual harassment. Sexually offensive speech and conduct are wholly inappropriate to the harmonious employment relationships necessary to the operation of the school district and intolerable in a workplace to which the children of this district are exposed.

Sexual harassment includes all unwelcome sexual advances, requests for sexual favors, and verbal or physical contacts of a sexual nature that would not have happened but for the employee's gender. Whenever submission to such conduct is made a condition of employment or a basis for an employment decision, or when such conduct is severe and pervasive and has the purpose or effect of unreasonably altering or interfering with work performance or creating an intimidating, hostile, or offensive working environment, the employee shall have cause for complaint.

The sexual harassment of any employee of this district is strictly forbidden. Any employee or agent of this Board who is found to have sexually harassed an employee of this district will be subject to discipline, which may include termination of employment. Any employee who has been exposed to sexual harassment by any employee or agent of this Board is encouraged to report the harassment to an appropriate supervisor. An employee may complain of any failure of the Board to take corrective action by recourse to the procedure by which a discrimination complaint is processed. The employee may appeal the Board's action or inaction to the New Jersey Division on Civil Rights or to the United States Equal Employment Opportunity Commission. Complaints regarding sexual harassment shall be submitted following the procedures outlined in Regulation 1530, Equal Employment Opportunity.

The Affirmative Action Officer shall instruct all employees of this Board to recognize and correct speech and behavior patterns that may be sexually offensive with or without the intent to offend.

Persons employed as classroom/teaching aides including supervisory personnel will be employed on fixed term contracts and will not acquire tenure in their positions.

## 4381 PROTECTION AGAINST RETALIATION

The Board of Education will take no retaliatory action, by discharge, demotion, suspension, or any other adverse action, against an employee because that employee has conscientiously:

1. Disclosed or threatened to disclose to a supervisor or public body an activity, policy, or practice of this Board or any district officer that the employee reasonably believes to be in violation of law or rule;
2. Provided information to a public body conducting an investigation, hearing, or inquiry into any alleged violation of law by the Board or an officer of this district; or
3. Objected to or refused to participate in an activity, policy, or practice of this district that the employee reasonably believes to be in violation of law or rule, fraudulent, criminal, or incompatible with a clear mandate of public policy concerning the public health, safety, or welfare or protection of the environment.

An employee who has reason to believe that the Board has engaged in an illegal activity or an activity contrary to public policy must report that belief in writing to the Chief School Administrator before notice is given to a supervisor or a public body. The Chief School Administrator shall promptly report the same to the Board and institute an investigation of the reported activity. The findings of the investigation will be reported in writing to the Board and to the employee.

The protection of law and this policy apply only to employees who have given notice in accordance with this policy and have afforded the Board a reasonable period of time to take any corrective action that may be required or have acted in circumstances that the employee believes in good faith constitute an emergency.

The Chief School Administrator shall post notice of this policy and inform employees of their rights under the New Jersey Conscientious Employee Protection Act.

### 4425 WORK RELATED DISABILITY PAY

The Board of Education will permit, in accordance with law, the absence without loss of pay or of annual or accumulated sick leave benefits of a support staff member disabled by accident or injury arising out of and in the course of employment. Any such employee shall seek the workers' compensation benefits to which he/she is entitled by law.

An employee whose disability has qualified for the receipt of workers' compensation benefits shall be presumed eligible for work related disability pay under this policy. When an employee's disability is so brief as to preclude the employee's application for worker's compensation benefits, the employee may request and the Board may grant work related disability pay.

Any employee who qualified for work related disability pay under this policy shall receive full pay during the period he/she is on disability leave of absence, up to one calendar year.

As a condition of receiving full salary, an employee who receives workers' compensation benefits for his/her work-related disability must endorse and deliver to the Board all workers' compensation temporary disability checks received for the period covered by this policy.

Modified Duty Early Return to Work  
Program – Support Staff Members

## 4425.1 MODIFIED DUTY EARLY RETURN TO WORK PROGRAM – SUPPORT STAFF MEMBERS

New Jersey's workers' compensation laws provide lost wages and pay medical expenses for an employee who sustains an injury as a result of an on-the-job accident, injury, or occupational disease. Workers' compensation is designed to protect school district employees and their families against the hardships from injury arising in the workplace. In an effort to assist school staff in recovering from an eligible workers' compensation injury, the Board provides a Modified Duty Early Return To Work Program. The Program is provided to staff members who have been injured on the job, but who are not permanently disabled. The Program is intended to minimize the negative psychological impact to an injured staff member due to being out of work and to provide a transition and adjustment period for the injured staff member to return to work while recovering from an on-the-job injury.

The school district may assign temporary modified duties and responsibilities to staff members that have sustained an eligible workers' compensation injury. These employees may temporarily perform duties and responsibilities that may or may not be within their job description, or may or may not be within their department. The modified duties and/or responsibilities will be within the injured staff member's capabilities and a staff member will not be assigned any modified duties and/or responsibilities that require any certifications/licenses that are not possessed by the injured staff member.

The modified duties and responsibilities will be determined by the Chief School Administrator, the district's designated Workers' Compensation Coordinator, after a medical examination and evaluation of the injured staff member by the Board's designated workers' compensation physician. The Workers' Compensation Coordinator will determine if the injured staff member is eligible for modified duties or responsibilities. This determination will be based on:

1. The workers' compensation physician's examination and evaluation report;
2. The injured staff member's capabilities to assume modified duties or responsibilities;
3. The availability of modified duties and responsibilities within the district at the time; and/or
4. Other issues that may impact the district's ability to assign modified duties and responsibilities.

## A. Introduction

The Board will provide family leave in accordance with the Federal Family and Medical Leave Act (FMLA) and the New Jersey Family Leave Act (NJFLA).

FMLA leave for eligible staff members shall be up to twelve weeks leave of absence in any twelve month period upon advance notice to the district for the birth of a son or daughter of the staff member and in order to care for such son or daughter; for the placement of a son or daughter with the staff member for adoption or foster care; in order to care for the spouse, son, daughter, or parent of the staff member if such spouse, son, daughter, or parent has a serious health condition; or for a serious health condition that makes the staff member unable to perform the functions of the position of such staff member.

NJFLA leave for eligible staff members shall be up to twelve weeks leave of absence in any twenty-four month period upon advance notice to the district so that a staff member may provide care made necessary by the birth of a child of the staff member, the placement of a child with the staff member in connection with adoption of such child by the staff member, and the serious health condition of a spouse, parent, or child.

## B. Applicability

The Board will comply with requirements of the New Jersey and Federal Family Leave laws. The laws have similar and different provisions that may provide different rights and obligations for the staff member and/or the Board. The staff member shall be afforded the most favorable rights if there is a conflict in the rights afforded to the staff member under the two laws.

1. If the staff member is eligible for leave for reasons provided under the FMLA and NJFLA, then the time taken shall be concurrent and be applied to both laws.
2. The NJFLA provides twelve weeks leave in a twenty-four month period while the FMLA provides twelve weeks leave in a twelve-month period. A staff member is eligible for up to twelve weeks leave in the first twelve months of the twenty-four month period under the NJFLA. A staff member is eligible for up to twelve weeks leave in the second twelve-month period under the FMLA.

3. In the event the reason for the family leave is recognized under one law and not the other law, the staff member is eligible for each law's leave entitlements within one twelve-month period. (Example: A staff member may use their FMLA leave for a twelve week family leave for their own pregnancy, which is considered a "serious health condition" under FMLA, and upon conclusion of the twelve week FMLA leave, the staff member would be eligible for a twelve week NJFLA leave to care for their newborn or any other reasons pursuant to the NJFLA.)

## D. Eligibility

### 1. Federal Family and Medical Leave Act (FMLA)

A staff member shall become eligible for FMLA leave after he/she has been employed at least twelve months in this district and employed for at least 1250 hours of service during the twelve-month period immediately preceding the commencement of the leave. The twelve months the staff member must have been employed need not be consecutive months pursuant to 29 CFR Part 825 Section 110(b). The minimum 1250 hours of service shall be determined according to the principles established under the Fair Labor Standards Act (FLSA) for determining compensable hours of work pursuant to 29 CFR Part 785. Entitlement to FMLA leave taken for the birth of a son or daughter or placement of a son or daughter with the staff member for adoption or foster care shall expire at the end of the twelve-month period beginning on the date of such birth or placement.

Pursuant to 29 CFR Part 825 Section 202, a husband and wife both employed by the district are limited to a combined total of twelve weeks of leave during the twelve-month period if the leave is taken for the birth of a son or daughter of the staff member or to care for such son or daughter after birth; for placement of a son or daughter with the staff member for adoption or foster care or in order to care for the spouse, son, daughter, or parent of the staff member with a serious health condition.

The method to determine the twelve-month period in which the twelve weeks of FMLA leave entitlement occurs will be a “rolling” twelve-month period measured backward from the date a staff member uses any family leave.

A staff member during any period of FMLA leave is prohibited from performing any services on a full-time basis for any person for whom the staff member did not provide services immediately prior to commencement of the leave. A staff member using FMLA leave may commence part-time employment that shall not exceed half the regularly scheduled hours worked for the district. The staff member may continue the part-time employment that commenced prior to the FMLA leave at the same number of hours that the staff member was regularly scheduled prior to such leave.

## 2. New Jersey Family Leave Act (NJFLA)

A staff member shall become eligible for NJFLA leave after he/she has been employed at least twelve months in this district for not less than 1,000 base hours, excluding overtime, during the immediate preceding twelve month period. The calculation of the twelve-month period to determine eligibility shall commence with the commencement of the NJFLA leave. NJFLA leave taken for the birth or adoption of a healthy child may commence at any time within a year after the date of the birth or placement for adoption.

A staff member during any period of the NJFLA leave is prohibited from performing any services on a full-time basis for any person for whom the staff member did not provide services immediately prior to commencement of the leave. A staff member on NJFLA leave may commence part-time employment that shall not exceed half the regularly scheduled hours worked for the district. The staff member may continue the part-time employment that commenced prior to the NJFLA leave at the same number of hours that the staff member was regularly scheduled prior to such leave.

The method to determine the twenty-four month period in which the twelve weeks of NJFLA leave entitlement occurs will be a “rolling” twenty-four month period measured backward from the date a staff member uses any leave.

## E. Types of Leave

### 1. Federal Family and Medical Leave Act (FMLA)

A staff member may take FMLA leave in consecutive weeks, as intermittent leave, or as reduced leave. A staff member who requests intermittent or reduced leave shall make a reasonable effort to schedule such leave so as not to unduly disrupt the instructional/educational program.

- a. Leave for the birth of a son or daughter or placement of a son or daughter with the staff member for adoption or foster care may not be taken by a staff member intermittently or on a reduced leave schedule.
- b. Leave may be taken intermittently or on a reduced leave schedule when medically necessary for planned and/or unanticipated medical treatment of a related serious health condition by or under the supervision of a health care provider, or for recovery from treatment or recovery from a serious health condition.
- c. Intermittent leave means leave scheduled for periods of time from one hour or more to several weeks; however, the total time within which the leave is taken can not exceed a twelve month period for each serious health condition episode. Intermittent leave may be taken for a serious health condition that requires periodic treatment by a health care provider, rather than one continuous period of time. Intermittent leave may also be taken for absences where the staff member is incapacitated or unable to perform the essential functions of the position because of a serious health condition even if the staff member does not receive treatment by a health care provider. The staff member shall make a reasonable effort to schedule intermittent leave so as not to unduly disrupt the operations of the instructional/educational program.
- d. Reduced leave means leave scheduled for fewer than the staff member's usual number of hours worked per workweek, but not fewer than a staff member's usual number of hours worked per workday, unless otherwise agreed to by the staff member and the district. A staff member is entitled, at the option of the staff member, to take leave on a reduced leave schedule not exceeding twenty-four consecutive weeks. The staff member shall make a reasonable effort to schedule reduced leave so as not to unduly disrupt the operations of the instructional/educational program. The staff member shall provide the district prior notice of the care, medical treatment or continuing supervision by a health care provider necessary due to a serious health condition of a family member in a manner that is reasonable and practicable. Leave taken on a reduced leave schedule shall not result in a reduction of the total amount of leave to which a staff member is entitled.

- e. The fact that a holiday may occur within the week taken by a staff member as Family Leave has no effect and the week is counted as a week of Family Leave. However, if the staff member is out on Family Leave and the school district is closed and the staff member would not be expected to report for work for one or more weeks, the weeks the school district is closed for this staff member do not count against the staff member's family leave entitlement.

Any leave time remaining after a staff member has exhausted his/her entitlement to intermittent leave in any twelve month period may be taken as consecutive leave or reduced leave, and any leave time remaining after a staff member has exhausted his/her entitlement to reduced leave in any twelve month period may be taken as consecutive leave or intermittent leave.

## 2. New Jersey Family Leave Act (NJFLA)

A staff member may take NJFLA leave in consecutive weeks, as intermittent leave, or as reduced leave. A staff member who requests intermittent or reduced leave shall make a reasonable effort to schedule such leave so as not to unduly disrupt the instructional/educational program.

- a. In the case of a family member who has a serious health condition, leave may be taken intermittently when medically necessary. The total time within which the leave is taken, can not exceed a twelve-month period for each serious health condition episode. The staff member will provide the district with prior notice of the leave in a manner which is reasonable and practicable; and the staff member shall make a reasonable effort to schedule the leave so as not to unduly disrupt the operations of the instructional/educational program. In the case of the birth or adoption of a healthy child, the leave may be taken intermittently only if agreed to by the staff member and the district.
- b. Reduced leave means leave scheduled for fewer than the staff member's usual number of hours worked per workweek, but not fewer than a staff member's usual number of hours worked per workday, unless otherwise agreed to by the staff member and the district. A staff member is entitled, at the option of the staff member, to take leave on a reduced leave schedule for a period not exceeding twenty-four consecutive weeks. The staff member is not entitled to take the leave on a reduced leave schedule without an agreement between the staff member and the district if the

leave is taken for the birth or adoption of a healthy child. The staff member shall make a reasonable effort to schedule reduced leave so as not to unduly disrupt the operations of the instructional/educational program. The staff member shall provide the district prior notice of the care, medical treatment or continuing supervision by a health care provider necessary due to a serious health condition of a family member in a manner that is reasonable and practicable. Leave taken on a reduced leave schedule shall not result in a reduction of the total amount of leave to which a staff member is entitled.

- c. The fact that a holiday may occur within the week taken by a staff member as family leave has no effect and the week is counted as a week of family leave. However, if the staff member is out on family leave and the school district is closed and the staff member would not be expected to report for work for one or more weeks, the weeks the school district is closed for this staff member do not count against the staff member's family leave entitlement.

Any leave time remaining after a staff member has exhausted his/her entitlement to intermittent leave in any twelve month period may be taken as consecutive leave or reduced leave, and any leave time remaining after a staff member has exhausted his/her entitlement to reduced leave in any twelve month period may be taken as consecutive leave or intermittent leave.

## F. Notice

### 1. Federal Family and Medical Leave Act (FMLA)

- a. Foreseeable Leave - A staff member eligible for FMLA leave must give at least a thirty day written advance notice to the Chief School Administrator if the need for the leave is foreseeable based on an expected birth, placement for adoption of foster care, or planned medical treatment for a serious health condition of the staff member or a family member. If thirty days is not practical, the staff member must provide notice "as soon as practicable" which means as soon as both possible and practical, taking into account all the facts and circumstances in the individual case. For foreseeable leave where it is not possible to give as much as thirty days notice "as soon as practical" ordinarily would mean at least verbal notification to the Chief School Administrator within one or two business days or when the need for leave becomes known to the staff member. The written notice shall include the reasons for the leave, the anticipated duration of the leave and the anticipated start of the leave.

When planning medical treatment, the staff member must consult with the Chief School Administrator and make a reasonable effort to schedule the leave so as not to unduly disrupt the educational program, subject to the approval of the health care provider. Staff members are ordinarily expected to consult with the Chief School Administrator prior to scheduling of treatment that would require leave for a schedule that best suits the needs of the district and the staff member.

The district may delay the staff member taking leave for at least thirty days if the staff member fails to give thirty days notice for foreseeable leave with no reasonable excuse for the delay.

- b. Unforeseeable Leave - When the approximate timing of the need for leave is not foreseeable, a staff member should give notice to the Chief School Administrator for leave as soon as practicable under the facts and circumstances of the particular case. It is expected the staff member will give notice to the Chief School Administrator within no more than one or two working days of learning of the need for leave, except in extraordinary circumstances where such notice is not foreseeable. The staff member should provide notice to the employer either in person or by telephone, telegraph, facsimile machine or other electronic means.

## 2. New Jersey Family Leave Act (NJFLA)

- a. Foreseeable Leave - A staff member eligible for NJFLA leave must give at least a thirty day advance written notice to the Chief School Administrator of the need to take family leave except where the need to take family leave is not foreseeable.
  - i. Notice for leave to be taken for the birth or placement of the child for adoption shall be given at least thirty days prior to the commencement of the leave, except that if the date of the birth or adoption requires leave to begin in less than thirty days, the employee shall provide such notice that is reasonable and practicable.
  - ii. Notice for leave to be taken for the serious health condition of a family member shall be given at least fifteen days prior to the commencement of leave, except that if the date of the treatment or supervision requires leave to begin in less than fifteen days, the staff member shall provide such notice that is reasonable and practicable.

iii. When the Chief School Administrator is not made aware that a staff member was absent for family leave reasons and the staff member wants to request the leave be counted as family leave, the staff member must provide timely notice within two business days of returning to work to have the time considered for family leave in accordance with the Family Leave Act.

b. Unforeseeable Leave - When the need for leave is not foreseeable, the staff member must provide notice "as soon as practicable" which shall be at least verbal notice to the Chief School Administrator within one or two business days of the staff member learning of the need to take family leave. Whenever emergent circumstances make written notice impracticable, the staff member may give verbal notice to the Chief School Administrator, but any verbal notice must be followed by written notice delivered within two working days.

## G. Leave Designation

An eligible staff member shall designate FMLA or NJFLA leave upon providing notice of the need for the leave or when the need for leave commences. The Chief School Administrator shall provide the staff member with this Policy to assist the staff member in determining the type of leave.

## H. Benefits

The Federal Family and Medical Leave Act and/or the New Jersey Family Leave Act shall be unpaid leave.

The Board will maintain coverage under any group health insurance policy, group subscriber contract, or health care plan at the level and under the conditions coverage would have been provided if the staff member had continued to work instead of taking the leave. If the staff member was paying all or part of the premium payments prior to the leave, the staff member would continue to pay his/her share during the leave time. Any ten month staff member who is on leave under NJFLA or FMLA at the end of the school year will be provided with any benefits over the summer that the employee would normally receive if they had been working at the end of the school year.

## I. Returning from Leave

The Federal Family and Medical Leave Act and/or the New Jersey Family Leave Act

A staff member returning from leave shall be entitled to the position he/she held when leave commenced or to an equivalent position of like seniority, status, employment benefits, pay and other conditions of employment. If the district experiences a reduction in force or layoff and the staff member would have lost his/her position had the staff member not been on family leave as a result of the reduction in force or pursuant to the good faith operation of a bona fide layoff and recall system including a system under any collective bargaining agreement, the staff member shall be entitled to reinstatement to the former or an equivalent position in accordance with applicable statutes, codes and laws. The staff member's tenure and seniority rights, if any, and other benefits shall be preserved, but the staff member shall accrue no additional time toward tenure or seniority for the period of the leave, except as may be provided by law.

The return of a staff member prior to the expiration of the requested family leave may be permitted by the Board if the return does not unduly disrupt the instructional program or require the Board to incur the cost of continuing the employment of a substitute under contract.

If leave is taken under FMLA, and the staff member does not return to work after the leave expires, the Board is entitled to recover health insurance costs paid while the staff member was on FMLA. The Board's right to recover premiums would not apply if the staff member fails to return to work due to:

1. The continuation, onset or recurrence of a serious health condition of the staff member; or
2. Circumstances beyond the staff member's control.

## J. Ineligible Staff Members

1. Federal Family and Medical Leave Act (FMLA)

The district may deny job restoration after FMLA leave if the staff member is a "key employee" as defined in 29 CFR 825 Section 217 if such denial is necessary to prevent substantial and grievous economic injury to the district or the district may delay restoration to a staff member who fails to provide a fitness for duty certificate to return to work for leave that was the staff member's own serious health condition. A "key employee" is a salaried, staff member who is among the highest paid ten percent of the school district staff employed by the district within 75 miles of the worksite. No more than ten percent of the school district staff within 75 miles of the worksite may be "key employees."

In the event the Chief School Administrator believes that reinstatement may be denied to a key employee, the Chief School Administrator must give written notice to the staff member at the time the staff member gives notice of the need for leave, or when the need for leave commences, if earlier, that he/she qualifies as a key employee. The key employee must be fully informed of the potential consequences with respect to reinstatement and maintenance of health benefits if the district should determine that substantial and grievous economic injury to the district's operations will result if the staff member is reinstated from leave. The district's notice must explain the basis for the district's finding that substantial and grievous economic injury will result, and if leave has commenced, must provide the staff member a reasonable time in which to return to work. If the staff member on leave does not return to work in response to the notice of intent to deny restoration, the staff member continues to be entitled to maintenance of health insurance.

A key employee's rights under the FMLA continue unless and until the staff member either gives notice that he/she no longer wishes to return to work or the district actually denies reinstatement at the conclusion of the leave period. A staff member is still entitled to request reinstatement at the end of the leave period even if the staff member did not return to work in response to the district's notice. The district will then again determine whether there will be substantial and grievous economic injury from reinstatement based on the facts at that time. If it is determined that substantial and grievous economic injury will result, the district will notify the staff member in writing (in person or by certified mail) of the denial of the restoration.

## 2. New Jersey Family Leave Act

The district may deny family leave to the staff member if the staff member is a salaried employee who is among the highest paid five percent of the school district staff or one of the seven highest paid employees of the district, whichever is greater, if the denial is necessary to prevent substantial and grievous economic injury to the school district's operations. The Chief School Administrator shall notify the staff member of the intent to deny the leave at the time the Chief School Administrator determines the denial is necessary. If the leave has already commenced at the time of the district's notification of denial, the staff member shall be permitted to return to work within ten working days of the date of notification.

## K. Verification of Leave

### 1. Federal Family and Medical Leave Act (FMLA)

The Board requires a staff member's FMLA leave to care for the staff member's seriously ill spouse, son, daughter, or parent, or due to the staff member's own serious health condition that makes the staff member unable to perform one or more of the essential functions of the staff member's position, be supported by a certification issued by the health care provider of the staff member or the staff member's ill family member. The certification must meet the requirements of 29 CFR Section 825.306 to include: which part of the definition of "serious health condition" applies; the approximate date the serious health condition commenced and its probable duration; whether it will be necessary for the staff member to take intermittent and/or reduced leave; whether the patient is presently incapacitated and the likely duration and frequency of episodes of incapacity; if additional treatments will be required for the condition; and/or if the patient's incapacity will be intermittent or will require reduced leave. The certification of a serious health condition of a family member of the staff member shall be sufficient if it states the date on which the condition commenced, the probable duration of the condition, and the medical facts within the provider's knowledge regarding the condition. Certification for the birth or placement of a child need only state the date of birth or date of placement.

In the event the Chief School Administrator doubts the validity of the certification, in accordance with 29 CFR Section 825.307, the district may require, at the district's expense, the staff member obtain an opinion regarding the serious health condition from a second health care provider designated by the district, but not employed on a regular basis by the district. If the second opinion differs from the staff member's health care provider, the district may require, at the district's expense, the staff member obtain the opinion of a third health care provider designated by the district or approved jointly, in good faith, by the district and the staff member. The opinion of the third health care provider shall be final and binding on the district and the staff member.

The district may require re-certification pursuant to the requirements of 29 CFR Section 825.308. In accordance with 29 CFR Section 825.309, the staff member on leave must provide a written report to the Chief School Administrator every thirty workdays. The report shall include the staff member's status and intended date to return to work. In the event the staff member's circumstances change, the staff member must provide reasonable notice to the Chief School Administrator if

the staff member intends to return to work on a date sooner than previously noticed to the district. The staff member is not required to take more leave than necessary to resolve the circumstance that precipitated the need for leave. As a condition of returning to work after the leave for the staff member's own serious health condition, and in accordance with 29 CFR Section 825.310, the district requires a staff member to provide a certification from their health care provider that the staff member is able to resume work.

In accordance with 29 CFR Section 825.311, the district may delay the taking of FMLA leave to a staff member who fails to provide certification within fifteen days after being requested to do so by the district. In accordance with 29 CFR Section 825.312, the district may delay the taking of leave until thirty days after the date the staff member provides notice to the district of foreseeable leave or the district may delay continuation of leave if a staff member fails to provide a requested medical certification in a timely manner.

### 2. New Jersey Family Leave Act

The Board shall require the certification of a duly licensed health care provider verifying the purpose of requested NJFLA leave. Certification of a serious health condition of a family member of the staff member shall be sufficient if it states the date on which the condition commenced, the probable duration of the condition, and the medical facts within the provider's knowledge regarding the condition. Certification for the birth or placement of a child need only state the date of birth or date of placement, whichever is appropriate.

In the event the Chief School Administrator doubts the validity of the certification for the serious health condition of a family member of the staff member, the district may require, at the district's expense, the staff member to obtain an opinion regarding the serious health condition from a second health care provider designated or approved, but not employed on a regular basis, by the district. If the second opinion differs from the certification the district may require, at the district's expense, that the staff member obtain the opinion of a third health care provider designated or approved jointly by the district and the staff member concerning the serious health condition. The opinion of the third health care provider shall be final and binding on the district and the staff member.

L. Interference with Family Leave Rights

The Federal Family and Medical Leave Act and the New Jersey Family Leave Act prohibit interference with a staff member's rights under the law, and with legal proceedings or inquiries relating to a staff member's rights. Unless permitted by the law, no staff member shall be required to take family leave or to extend family leave beyond the time requested. A staff member shall not be discriminated against for having exercised his/her rights under the Federal Family and Medical Leave Act or the New Jersey Family Leave Act nor discouraged from the use of family leave.

M. Non-Tenured Staff Member

Family leave granted to a nontenured staff member cannot extend the employee's employment beyond the expiration of his/her employment contract.

N. Record Keeping

In order that staff member's entitlement to FMLA leave and NJFLA leave can be properly determined, the Chief School Administrator shall ensure the keeping of accurate attendance records that distinguish family leave from other kinds of leave. The Chief School Administrator will publish a notice explaining the Act's provisions and provide information concerning the procedures for filing complaints of violations of the FMLA and NJFLA.

Implementation of FMLA and NJFLA will be consistent with provisions in collective bargaining agreement(s) in the district.

## 4431.3 NEW JERSEY'S FAMILY LEAVE INSURANCE PROGRAM

Board of Education employees are eligible to apply for benefits under New Jersey's Family Leave Insurance Program administered by the State of New Jersey – Department of Labor and Workforce Development. New Jersey's Family Leave Insurance Program (NJFLI) may provide up to six weeks of family leave insurance benefits payable to covered employees from either the New Jersey State Plan or an approved employer-provided private plan.

A benefit provided through the NJFLI will be for the employee to bond with a child during the first twelve months after the child's birth, if the covered individual or the domestic partner or civil union partner of the covered individual is a biological parent of the child, or the first twelve months after the placement of the child for adoption with the covered individual. An employee who intends to apply to the State of New Jersey for benefits under this provision of the NJFLI must provide the Chief School Administrator written notice thirty calendar days prior to beginning the leave. Failure to provide this thirty-day notice may result in a reduction in the employee's maximum family leave insurance benefits. Intermittent leave to bond with a newborn or newly adopted child must be agreed to by the Chief School Administrator and the employee and, if agreed to, must be taken in periods of seven days or more.

A benefit provided through the NJFLI will also be to care for a family member with a serious health condition supported by a certification provided by a health care provider. An employee who intends to apply to the State of New Jersey for benefits under this provision of the NJFLI for consecutive leave must provide the school district reasonable and practical notice unless the time of the leave is unexpected or the time of the leave changes for unforeseen reasons. An employee who intends to apply for benefits under this provision of the NJFLI for intermittent leave must provide the school district with a written notice at least fifteen calendar days prior to beginning the leave.

For the purposes of this Policy, "family member" means a child, spouse, domestic partner, civil union partner, or parent of a covered individual. "Child" means a biological, adopted, or foster child, stepchild, or legal ward of a covered individual, child of a domestic partner of the covered individual, or child of a civil union partner of the covered individual, who is less than nineteen years of age or is nineteen years of age or older but incapable of self-care because of mental or physical impairment.

All applications for benefits under the NJFLI must be filed directly with the State of New Jersey – Department of Labor and Workforce Development. The eligibility requirements, wage requirements, benefit duration and amounts, and benefit limitations shall be in accordance with the provisions of the NJFLI as administered by the State of New Jersey – Department of Labor and Workforce Development. A formal appeal may be submitted to the State of New Jersey – Department of Labor and Workforce Development if an employee or the Board disagrees with a determination on a claim.

New Jersey's Family Leave Insurance Program

The NJFLI provides eligible individuals a monetary benefit and not a leave benefit. In addition, the school district administrative and related staff will comply with the State of New Jersey - Department of Labor and Workforce Development requests for information in accordance with the provisions of N.J.A.C. 12:21-3.9.

The Board may elect to provide employees with Family Leave Insurance benefits coverage under a private plan which must be approved by the State of New Jersey – Department of Labor and Workforce Development.

A printed notification of covered individuals' rights relative to the receipt of benefits under the NJFLI will be posted in each of the school district worksites and in a place or places accessible to all employees at the worksite. Each employee shall receive a copy of this notification in writing at the time of the employee's hiring, whenever the employee provides written notice to the Chief School Administrator of their intention to apply for benefits under the NJFLI, or at any time upon the first request of the employee. The written notification may be transmitted to the employee in electronic form.

### 4432 SICK LEAVE

The Board of Education shall grant sick leave, in accordance with law, to support staff members absent from work because of personal disability or quarantine. Each steadily employed employee eligible for sick leave will be entitled annually to the number of paid sick leave days negotiated with the employee's majority representative or provided in this policy or in an individual contract with the Board.

The Board reserves the right to require of any employee who claims sick leave sufficient proof, including a physician's certification, of the employee's illness or disability. As a minimum, no day will be considered to be a sick leave day on which the employee has engaged in or prepared for other gainful employment, has participated in a work stoppage, or has engaged in any activity that would raise doubts regarding the validity of the sick leave request.

The Chief School Administrator will prepare rules for the administration of the Board's policy on sick leave, which shall be binding on all employees.

The Chief School Administrator will submit to the Board the names of those employees absent for non-compensable cause or whose claim for sick leave pay cannot be justified. The willful misuse of sick leave will be considered a serious infraction and is subject to discipline.

### 4433 VACATIONS

The Board of Education believes that it is beneficial to the school district that persons employed to work twelve months a year be given periodic relief from the responsibilities of their position without loss of compensation.

The Board reserves the right to determine the conditions under which vacation time may be taken when not otherwise covered by the terms of a negotiated agreement or in an individual contract with the Board.

### 4435 ANTICIPATED DISABILITY

The Board of Education shall provide for leaves of absence, in accordance with law and the policies of this Board, for any employee of this district not otherwise covered by the terms of the negotiated agreement whose absence from duties will be required for a foreseeable event of disability such as childbirth or surgery.

An employee who anticipates disability shall so notify the Chief School Administrator as soon as the employee is under medical supervision for the condition and a date is projected for the anticipated disability. Because of the potentially disabling nature of pregnancy and the certainty of temporary disability at parturition, the Board will presume that a pregnant employee is disabled for work thirty days before the anticipated date of childbirth and continues to be disabled for thirty days after parturition, except that any such employee who presents medical certification of her fitness may continue to work until she is actually disabled and may return to work as soon as she is able.

The Board reserves the right to require an employee who requests an extended leave of absence that includes anticipated disability to commence and/or terminate the leave at times that ensure continuity in district operations. Whenever possible, partial year leaves of absence will begin and end at divisions in the academic calendar and will cause not more than one interruption in employment continuity during the school year in which the leave is taken. No person who is required to take leave at a time other than that requested will be denied the use of sick leave for the anticipated disability that occurs or is presumed to occur during the leave.

An employee who anticipates a disability may request a leave of absence to commence before disability and to extend beyond the period of disability. Any such request shall be subject to Board discretion and the Board's policy on leave of absence. An employee on voluntary leave of absence is not eligible for sick leave pay for disability occurring during the period of that absence.
